

SO UNBREAKABLE
IS VISALYS[®] TEMP

TEMPORARY RESTORATION How tough should you be in everyday life? The temporary crown and bridge material, **Visalys[®] Temp**, doesn't do things by halves. It wins people over with its **outstanding stability** and **ease of discharge**, and shines bright in terms of **esthetics**, featuring a high-gloss appearance without the need for polishing. **Visalys[®] Temp** is, of course, also free from bisphenol A. kettenbach-dental.com
